Memo. No.P.W.1197, dated 2-7-1931 and No.P.W.815, dated 3-7-1931 and telephone message received on 7-7-1931, from the Pay and Accounts Officer, Bangalore.

The Pay and Accounts Officer says that the expenditure incurred during 1930-31 for constructing private wards of Hajee Sir Ismail Sait's Gosha Hospital has exceeded the contribution by Rs. 812-9-7 and that he has asked the Residency Surgeon and the Municipal Executive Engineer to recover the excess from Hajee Sir Ismail Sait. While matters stand thus, he asks for orders whether the bill presented by the Municipal Ex. Engineer for the work sanctioned in S N 4 may be paid, pending issue of the necessary order by this o/c.

Under para 111-IV of the Central Public Works Department Code, necessary funds for the prosecution of the work must be realised and paid into the Government Treasury either in a lump sum or in such instalments and by such dates as the Minor Local Govt. may decide in each case. No advance of Govt. money for such purpose will be permitted, and in a case where the money is paid by instalments, Govt. will not be responsible for any increase in cost, or damage to the uncompleted work, caused by a temporary stoppage of the work pending receipt of further instalments. According to this, the excess payment of Rs. 812-9-7 made seems to be unauthorised.

If approved, the Pay and Accounts Officer's attention may be drawn to para 111-IV and he may be told not to pay the bill for work sanctiomed in S N 4 till funds have been collected from Hajee Sir Ismail Sait.

Letter No.1988/98, dated the 15th October 1931, from the Residency Surgeon, Bangalore.

(17) The Residency Surgeon has forwarded for sanction the following three estimates:-

(1) Estimate for Rs. 260 for effecting minor repairs to the Indian Nurses' quarters attached to the private wards of Gosha Hospital.

(2) Estimate for Rs. 179 for installing electric lights to the Sub Assistant Surgeon's quarters for the private wards of the Gosha Hospital.

(3) Estimate for Rs. 24 for providing 6" stoneware pipe drain across the corridor to the north of the kitchen in the Gosha Hospital for carrying away storm water.

(18) (2) has already been sanctioned.-Vide S N 8. It is not clear why it has been sent to us again.

(19) (1) Hajee Sir Ismail Sait agreed to defray the entire cost of building a Gosha Hospital and present it thus completed to Government to be maintained and administered by them. Repairs to buildings appear to come under maintenance and are chargeable to Government.

(20) (3) is an original work and should, it seems, be met from the contribution of Hajee Sir Ismail Sait.

(21) Hajee Sir Ismail Sait who has signed in all the three estimates says that the amounts of the three estimates are already included in the original estimate and that therefore he is not liable to pay them.

(22) Information as to whether the three works are already included in the original estimate is not known.

(23) If approved, these notes may be sent U.O.to the Residency Surgeon with a request to make matters quite clear.
